

WORLD SERVICE OFFICE INC.

NARCOTICS ANONYMOUS

P.O. BOX 502 SAN ANTONIO, CALIFORNIA 78201

August 12, 1981

To: World Service Conference Officers
Board of Trustees

The World Service Office Inc. is a non-profit corporation operating under the laws of the State of California and operating the business of N.A. under this legal name.

The World Service Office Inc. was not notified, consulted nor was any permission requested or granted to the Literature Sub-Committee of the Conference to use the name and address of the W.S.O. Inc. on two pieces of alleged literature review material, which, although supposedly not for publication, distribution or sale, is in fact a publication that is being distributed and offered for sale throughout the Fellowship.

The Literature Sub-Committee has knowingly and consistently exceeded any authority delegated to it by the Conference and the N.A. Structure guidelines thereof.

Any committee of Narcotics Anonymous, other than the legal entity bearing the name W.S.O. Inc., is placing both the Office and the spiritual Fellowship in jeopardy by linking the two in a business operation.

The Board of Directors of W.S.O. Inc. therefore asks for immediate action on this matter. It further notifies the Literature Sub-Committee to either notify all who received copies of alleged material or forward their names to us from their mailing lists and we will inform them of the misuse of the name. Furthermore, removal of the W.S.O. Inc. name from all copies already printed and any future material contemplated. We are requesting all branches of service to carefully consider the far reaching effects of disregard for basic violations of our guidelines and Traditions; adherence to what we now have will result in a more perfect structure in the future.

Yours in Fellowship,

WORLD SERVICE OFFICE BOARD OF DIRECTORS
