Re: I Was Different

Dear Greg:

As you have probably heard, the second edition of our Basic Text will contain the stories from the little white booklet. As you know, your story, I Was Different is one of those which will be added to the second edition. However, the WSO has informed me that they do not have a release form from you on file. Before we can print your story in the Basic Text, I will need you to complete the enclosed release form. Please sign and date page one as well as page three, and have your signature witnessed by two other people. It is not necessary to take this document to a notary public.

I would appreciate it if you would return the signed release form to me at your earliest possible convenience. The book is already being typeset and any delays at this point are cumbersome and impede the process of completion. I know you are just as anxious to see the book published as I am. If you have any questions at all, please contact me; (619) 235-6346; 1805 Pentucket Avenue, San Diego, CA 92104.

I look forward to hearing from you soon.

In loving service,

Ginni Swanson
