CARRIED UNANIMOUSLY BY VOICE VOTE

It was M/S Jim G. (RSR Florida)/Randy J. (RSR Chesapeake/Potomac), "that the translation policy of approved literature to foreign languages be 1) work initiated by either WSO or interested N.A. members through the WSO. 2) A certified translator be selected by samples of their work and certification. 3) The initiated work will be given to the translator by the WSO. 4) Translator would be returned to the WSO. 5) Translator would return work to the WSO who in turn would send this work to interested members. 6) These members will be given a specific length of time for review and input. 7) The reviewed work would be returned to the WSO the WSO would return work to the translator for final work."

It was M/S/C Mary B. (RSR Lone Star)/Mike C. (RSR Michigan), "to commit the above motion to the WSO Board of Directors."
CARRIED UNANIMOUSLY BY VOICE VOTE

It was M/S/C Ross C. (RSR Carolinas)/ K. Bea (WSC Secretary), "to adjourn in love and fellowship until WSC 86."

The 1985 WSC ADJOURNED AT 3:55 PM AFTER THE LORDS PRAYER LEAD BY GERRY SYNOLD OUR NEW WSB MEMBER.

Submitted respectfully in service to the Fellowship

K.Bea C.
WSC Secretary 1984/85

Sherry B.
WSC Vice Secretary 1984/85

NOTES:

1. In roll calls and roll call votes where a participant is not shown, the participant did not respond to the call nor later report their presence to the Secretary.

2. It will be noted that some votes were made by voice count and other made by standing count while others were made by roll call. This is a reflection of the appropriate use of voice votes on matters of procedure and amendments to motions and standing votes to adopt matters of substance except where the conference acted with overwhelming unanimity.

Convention Committee
Objectives and Goals for 1985-86

1. To establish a relationship with WCNA-15 to begin the transition of the new World Convention Guidelines.
2. To research and formulate corporate and legal guidelines to meet the needs of a world convention.
3. To redesign the Intra-Committee Guidelines so as to satisfy the needs of our new World Convention Guidelines.
4. To assist with WCNA-16 in the management of the next world convention.
5. To assist and provide information to all conventions.

Report to WSC 85
From Policy Committee 85/86

The policy committee of the WSC 85/86 met for the first time on May 3, 1985. Vern Pugh, Chairperson, Show Me Region; Bill Hall, Vice-Chairperson, Louisiana; Peter Giverson, Hawaii; Edward Duquette, New England; Mason Day, Mid-Atlantic; Dave Tynes, S. Nevada; Rick Hunter, Georgia; Greg Pierce, Georgia; Biff Cramer, Florida; James Lane, Carolina. Committee deliberations included budget decision and approval by committee, recommendations to H&I on current problems of H&I guidelines and I.P. "H&I and You," and on allowing regional policy chairpersons to be voting members at all WSC Policy Committee meetings in which they are in attendance.

The following was adopted as our action plans for the coming year:

1. To draft a set of rules of order to be recommended for use at future World Service Conferences.
2. To draft guidelines for the Policy Committee.
3. To establish guidelines for approval of new literature, handbooks, guidelines and written materials generated by committees outside the literature committee.
4. To gather input for and draft Chapter 3 of A Guide to Service in Narcotics Anonymous.
5. To review existing procedures of the WSC.
6. To produce input to the Select Committee on A Guide to Service in N.A.

There was, in addition, a unanimous resolution by the committee to be presented as follows:

"That the World Service Conference follow the procedures outlined in the Temporary Working Guide or submit input to the Policy Committee to change them."

In addition the WSC Policy Committee adopted the following as to its purpose and function:

Purpose: To provide the service committees of Narcotics Anonymous with practical procedures designed to help further the primary purpose of N.A. as a whole within the general policies of N.A., as expressed by the Twelve Traditions.

To provide guidance for the understanding and application of group conscience and the relationship of the trusted servant to group conscience.

Function: To receive input regarding procedures used and viewed as inefficient or counterproductive. Input is collected, clarified, defined and analyzed in order to give recommendations as to the effectiveness of the procedure. The Policy Committee is responsible for the development of proposed changes or modification to the service structure of Narcotics Anonymous.

As Chairperson of the Policy Committee, I would like to state that I am looking forward to the work at hand for the coming year, and view it as matters of great importance in the ability of this Fellowship to carry the message to the addict who still suffers.

Finance Committee Report
May 3, 1985

Attending: Lee M., Chairperson; Joe F., Vice-Chairperson; Dutch H., WSB; Susan C., WSC Treasurer; Mark D., Bob H., Bob A., Biff K.

The committee first defined its purpose in accordance with the TWGSS, pages 36 and 37, with a minor amendment (see motion #1).

The committee developed a definition of membership:
"Chairperson; Vice-Chairperson/Secretary; WSB member; WSC Treasurer; and a maximum of nine others. Current RSR's and RSR-alternates and those recommended by RSR's with N.A. regional service experience in finance or business. The additional members are to be elected by unanimous vote of the committee, and confirmed by the WSC. Members elected by the Conference (i.e., Chairperson, Vice-Chairperson, WSB member, WSC Treasurer) can act on committee business themselves when emergency sessions are necessary."

We addressed the question referred to us by the WSC regarding H&I funds-flow. The result was a motion sponsored by the Finance Committee and co-sponsored by the H&I Committee (see motion #2).

We addressed a question regarding interest earned on bank accounts at various levels of service. The committee concluded that unless a service body is registered as tax exempt, it should not use interest bearing accounts. Our WSB member suggested that, regarding the Seventh Tradition, such interest is earned on donations held in account and is not an outside contribution. (The RSR from Quebec informed the committee from the floor that regulations regarding tax exemption and interest-bearing accounts may be different in countries other than the United States. The committees will address this question during 1985-86).

We partially defined our work for the next year:

1. Creation of committee guidelines.
2. Further work regarding H&I accounting and funds-flow in cooperation with the H&I committee.
3. Development of report formats for use by world service bodies.
4. Consideration of any input submitted to us by components of the service structure regarding matters of finance.

Motion #1

That the sentences, "Finance Committee sends out the money it has to the subcommittees on a monthly basis. (The procedures for handling money have changed since this language was adopted,"

and the end parenthesis of the paragraph at the top of page 37, TWGSS, be deleted.

Motion #2

That groups, areas and regions wishing to donate excess funds collected in H&I cans, or through other H&I fundraisers, to WSC H&I should make those donations to a WSO special fund from which literature can be sent to needy H&I groups. It is suggested that this fund be administered by the WSO H&I Project Coordinator.

Motion #3

That the Conference confirms Mark Daley, Bob Hunter, Biff Kramer and Bob Arsneau as members of the WSC Finance Committee.

Lee M., Chairperson
WSC Finance Committee

International Committee

The International Committee met this morning, excited about a year of hard work. Our goal is to facilitate the growth of N.A. as a whole in the world community by working to remove barriers which inhibit our primary purpose of "carrying the message to the addict who still suffers."

We put energy into developing and approving criteria for additional membership in the committee for the coming year. We hope to increase participation with the following:

1. Representatives from the N.A. Fellowship outside the U.S.
2. Members with previous participation on any WSC subcommittee.
3. A written request through the chairperson stating N.A. service experience and/or relevant experience which would create an asset to the International Committee.

We have approved a vehicle for committee members to serve as host to international members at conventions and conferences. The purpose of these functions would be to provide a place for international members to discuss their needs, fears and problems. Reports will then be given to the committee to aid in providing these international members with our experience, strength and hope.

Our primary objective is to prepare a draft of operating guidelines for the International Committee to research and make recommendations to the World Service Conference regarding WSO's function in translation services and providing assistance to developing International Fellowships.

Literature Committee Report
WSC-85

We met this morning and conducted a planning session as well as deliberations on additional input we had received.

The additional six registered members who were selected by drawing to serve on the committee are as follows:

Lois S. - Iowa
Steve S. - Colorado
Karen Mc. - Baltimore
John A. - California
Eddie A. - Alabama
Lionel G. - New England

RSR's please provide us with the address and telephone numbers of these people before you leave the Conference. We need to get in touch with them as soon as possible. We will also keep the other names as a pool to be drawn from if members of the committee resign during the year.

I will provide a general description of the input we discussed and then we have three motions to introduce.

Bert informed us that the membership in Quebec has written some new literature. We discussed whether we should ask to have the rules suspended in order to send it out for approval right now. It was the unanimous decision of the Literature Committee that this literature needs to go through the regular review process for new literature. The committee will review the literature in English and then send it out to the Fellowship in both French and English for the nine month review period.

We discussed the question raised about Chapter Ten of the Basic Text containing a quote from "The Use of Medication in Recovery." The Fellowship approved the Basic Text before the problem of the pamphlet arose. It is then pamphlet that quotes the Basic Text. Therefore the committee felt that we should not propose changes to this material in the Basic Text.

The White Book. Two views were expressed in input.

1. Refer to Trustees and let them make recommendations to bring it more in line with N.A. terminology.

2. Make specific changes now:

-change "sobriety" to recovery" (throughout text) pg. 10

-after "lack of religion" add "gender or sexual orientation"
pg. 2 para. 1

- change "and alcohol" to "including alcohol"
- delete "it would appear that we are people with addictive personalities who are strongly susceptible to alcoholic addiction" pg. 5 para. 3
- delete "to narcotics and sedation" (foreward)

General consensus: We will move that the specific changes be sent out to the Fellowship for a year and we will also refer the question to the WSB for their input recommending to them that it not be withdrawn during this process.

Q. Recommend that WLC form a special subcommittee on foreign literature.

A. We felt this was more a responsibility of the WSO. We feel the committee is functioning fine the way it is now. We will work in conjunction with both the WSO and regional literature committees in non-English speaking countries.

The Group

Q. Recommended specific changes "sobriety" to "cleanliness" or "recovery"

A. We will take this as input for the revision since it's on one list to be revised.

WSO Order Form

Q. Bottom says 6 1/2 percent tax for California residents uses CA abbreviations. Canadian residents think it means CANADA.

A. We recommend the WSO uses a longer abbreviation such as "Cal" or "Calif."

We were requested to move that the existing Fourth Step Guide be returned to distribution while it is being revised. The committee felt that since this motion had already been brought forward and defeated at this conference there was no need to bring it up again.

We received input suggesting that all H&I literature contain the Twelve Traditions and the Twelve Steps. We felt that this was input that should be referred to the H&I committee.

We received recommendations on specific changes to the pamphlet "Recovery and Relapse." We will consider this as input for our revisions of the pamphlet. This revision is on our list of priorities for 85-86.

We would like to introduce the following motions:

To change any and all N.A. approved literature where it has "recovered" to "recovering" in furture printings.

That the WSO be instructed to have the Basic Text professionally edited to ensure consistency and correct use of capitalization, verb tenses, gender, singular/plural endings and other grammatical errors; and that the edited text be returned to the Literature Review Committee for acceptance and approval prior to distribution.

The committee has a lot of work to do this year, but we feel we have an excellent committee and we look forward to a productive year.

PROPOSED WSC-H&I AGENDA FOR 85/86

We realize that many of the proposed WSC-H&I items for the past year have been accomplished, however, other tasks were proposed that have not been completed or are only partially accomplished.

1. In receiving the information and data from the survey which was distributed throughout the Fellowship we realized that we had not given the Fellowship enough time to respond to the survey. Another factor involved the complexity of the previous survey. It was felt by the committee that another, less-complex, survey should be sent out to the Fellowship with a longer response time. In this way we can continue to compile and index all the active H&I committees throughout the Fellowship. We are proposing that this survey be given a suggested 90 day response period, with no absolute cut-off date. In this way the survey will not be discarded if discovered beyond the suggested 90 day period.

2. There has been a significant amount of progress made in developing a revised edition of our H&I Handbook and an additional H&I pamphlet. In the area of establishing more literature which addresses the needs of confined addicts the WSC-H&I committee recommends that we begin work on two separate booklets which will be directed specifically toward the addict

who is confined in a correctional setting and to the addict who is housed in treatment facility. Each of these booklets will be structured to share experience, strength and hope for those addicts who are confined in both type situations. A large section will be dedicated to the crucial period that occurs during the transition from a correctional or treatment setting, back into the mainstream of society. It will outline suggestions that will be of assistance in making that transition, especially the transition into the Fellowship of Narcotics Anonymous immediately. In this way, maybe we will not continue to lose so many addicts in this crucial transition period.

3. Further outreaches through mailings to:

- A. Correctional facilities-state and federal, as well as, to State Department of Corrections Headquarters.
- B. Treatment facilities and hospitals that detox and/or treat addiction.
- C. Human resource and development centers that have high profile contact with addicts seeking help and assistance.

4. An interface outreach effort with WSC-PI directed toward:

- A. Probation and parole services.
- B. Judicial offices/systems.

5. Initiate steps to develop two (2) H&I service day workshops to be held in different geographic locations throughout the Fellowship which will be specifically geared toward the application of the H&I handbook and local H&I guidelines. This would be a concerted effort with the region selected, so that better relations and understanding of our H&I objectives can be accomplished. It will also strengthen the ties that bind us all together to carry out our primary purpose of "carrying the message to the addict who still suffers."

6. Form a much closer working relationship with H&I committees throughout the Fellowship, so that the flow of information can be more consistent. In this way each of us involved with H&I activities throughout the Fellowship, on whatever level, can share our experience, strength and hope to better carry out our tasks and responsibilities in H&I. The better we are able to communicate throughout the Fellowship, the more effective our efforts will be.

7. We will continue to publish our bi-monthly WSC-H&I newsletter in an effort to comply and carry out the proposals stated previously. The newsletter provides a forum for H&I committees or groups throughout the Fellowship to share their respective experiences in recovery where carrying the message to the

confined addict. It will also afford the institutionalized addict an opportunity to share their experiences in recovery as viewed from a confined or restricted perspective. We feel the inspirational value of sharing on this level will not only enhance their recovery, but also pump new life and inspiration into our H&I efforts throughout the Fellowship.

8. The WSC-H&I committee has tried to be supportive in assisting new area or regional H&I committees that are financially undeveloped and cannot obtain needed literature. There have been recent solicitations from various area H&I committees throughout the world for needed literature. These subcommittees did not approach the WSC-H&I committee with their requests, but instead asked other areas or regions to support them on many occasions. We have know idea how areas or regional H&I subcommittees responded. We will continue to be of assistance whenever possible, and any supportive outreaches will be evaluated and decided upon by committee vote. Any assistance rendered will be based upon severity of need and any priorities the committee may be involved with. Whenever possible, we will refer area matters to the respective region.

9. We will continue to collect and collate H&I stories for later inclusion in either the handbook or a sepearte booklet. This project will be worked on in the same manner as our other H&I

literature projects with the prime work being distributed to various H&I committees throughout the Fellowship.

10. The WSC-H&I committee is recommending that we continue an internal education program among H&I committees throughout the Fellowship. The major thrust of this effort is to raise our collective awareness level, as H&I participants, concerning such matters as:

- A. Carrying the message into maximum security facilities.
- B. Carrying the message into facilities, whether treatment or correctional, which house and work with adolescents.
- C. What our role is concerning carrying the message into controversial areas like:
 - 1. Detox Centers
 - 2. Methadone Clinics
 - 3. Psychiatric Facilities

11. That an Ad Hoc committee be formed and given the responsibility of writing guidelines that will clearly define the administrative responsibilities of the WSC H&I subcommittee.

12. The WSC-H&I committee is recommending that this committee begin work on:

- A. Financial guidelines that will detail strict financial accountability in H&I throughout the Fellowship which will be an addendum to the H&I handbook.
- B. A literature review process that will insure a broader input and review process of any H&I literature proposed for the Fellowship.
- C. Editorial guidelines for the WSC-H&I newsletter Reaching Out.

As you can see, the proposed tasks that lie ahead are many, as well as, varied. We will need to have the support and involvement of the Fellowship as a whole in order to carry out these goals and objectives. We realize that what is proposed here seems monumental, but in realistic terms the need for these objectives is severe and crucial. The growth of our Fellowship alone points out the fact that the problem of addiction is serious throughout the world. Correctional and treatment facilities are swelled to capacity. Our role in carrying the message to the addict who cannot attend a regular N.A. meeting is clear and concise. All our efforts must be concentrated and unrelenting. We, the WSC-H&I committee, will endeavor to carry out our primary purpose to the utmost-----Thank you

Public Information Committee Report
May 3, 1985

Your WSC P.I. Committee had defined our purpose as being twofold: One, to develop P.I. tools for use by our region and area P.I. Committees; two, to carry the message of recovery at the national and world level.

Structure and Procedures for WSC P.I. Committee

In order to fulfill our responsibilities as a functioning Committee of this Conference, we established guidelines for voting members and voting procedures to be followed during the upcoming year. The WSC P.I. Committee voting membership will be made up of RSR and RSR Alternates in attendance at the WSC P.I. Committee meeting held on May 3, 1985 in Van Nuys. In addition, the following procedures was adopted to add 12 voting members during the next months:

RSR's are asked to nominate one individual from their region who is either serving as a P.I. Chair or who has experienced and expertise in the area of P.I. work. On May 31, 1985, four names will be drawn at random from these nominations.

At the July quarterly meeting of the WSC P.I. Committee, an additional four names will be drawn at random from the total pool of nominations received at that time. The Chair will appoint four more individuals to serve as voting members of this Committee. RSR's can submit names for appointment as well as names to be included in the random draw.

Each of you will be receiving nomination forms with a brief cover letter explaining the random draw procedures. Again, let me stress that there will be two draws: one on May 31, and one at the WSC P.I. Subcommittee meeting in July. If possible, please give us your nominations before the 31st of this month in order to maximize your nominees chances to become a voting member of this Subcommittee.

The issue was addressed concerning voting procedures at Committee workshops held throughout the year. A motion was passed that allows for one third of the voting members of the Subcommittee to constitute a quorum of the Committee. If less than one third of the voting members are present at a workshop, workshop participants can vote to approve to disapprove materials to be sent out to the Committee through the mail for a ballot vote. Even if a quorum is present, materials and motions passed at workshops will be sent out to the Committee for ballot vote and input so that potential areas of disagreement can be identified

and discussed. This allows participation by members unable to attend workshops because of time and travel costs.

Tasks for the Coming Year

The Committee voted to accept, with minor revisions, the breakdown of work areas in P.I. as presented in the Select Committees Working Draft. (see page 87-89 of the WSC P.I. Subcommittee report). We believe that we will work more effectively if subcommittee members are focused on particular areas of concern. These working groups or task forces will be as follows:

- Media products
- Professional community contacts
- P.I. Handbook
- Communication and Education within the Fellowship
- Telephone helplines

Within these areas, we outlined the specific tasks for '85-'86, for P.I. efforts to reach out and carry the N.A. message of recovery.

I. PSA Videos

- A. Work in cooperation with the WSO to provide copies of video spots for use by area and regional P.I. committees.
- B. Design and implement an impact study in cooperation with area or regional P.I. committees. The purpose of this study will be to help us better understand and advise our Fellowship on what happens when the PSA's are aired.
- C. Prepare and carry our national media contacts for placement of the PSA's in conjunction with a planned national public information campaign.
- D. Address special PSA needs of the Fellowship worldwide.
- E. In cooperation with WSO, produce audio dubs for PSA's in languages other than English.
- F. In cooperation with WSO, research and produce PSA's for the hearing impaired.

II. Radio PSA's

- A. Produce radio PSA's from audio portion of the already produced TV spots.
- B. Collect and review radio PSA scripts.
- C. Prepare new or revised scripts for inclusion in the P.I. Handbook and for recording.
- D. In cooperation with WSO, produce audio tapes in English and other languages.

III. Public Information Packets

- A. In cooperation with the WSB and WSO, prepare materials and packet for use in contacting the professional community.
- B. In cooperation with the WSB and WSO, prepare materials and packet for use in contacting the media. This material will also be used as part of the PSA placement packet.

IV. Thirty Minute Film on N.A.

- A. In cooperation with the WSB and WSO, research feasibility of producing a 30 minute film for distribution to treatment centers, schools, television stations that will carry our message of recovery.
- B. If feasible, produce and market.

V. Coordinate Mass Mailing to Targeted Agencies.

- A. Prepare mailing list and materials.
- B. Mailing.
- C. Follow-up.

In order to serve the Fellowship, the following tasks were identified as priorities during the upcoming year.

I. Public Information Handbook

- A. Distribute for input and revision the already drafted sections of the P.I. Handbook.
- B. Draft remaining sections and distribute for review within the committee and to the Fellowship.
- C. Edit and format final drafts. Distribute to Fellowship for review.

II. Hotline Guide

- A. Continue to revise and format the draft of the Hotline Guide. Add section on 800 numbers.
- B. Prepare final draft and formatting for distribution to the Fellowship.

III. Schedule and Plan Agendas for WSC P.I. Workshops

- A. Committee will meet at the quarterly meetings of the WSC.
- B. Additional WSC P.I. Committee workshop will be held in late February or early March. Location will be determined at the July workshop.

IV. Public Information Forums at Conventions

A. Chair will inform regional service committees that the WSC P.I. Committee is eager to participate in P.I. forms to be held at Regional Conventions.

B. P.I. Committee will attempt to participate in as many of these P.I. Forums as possible in order to further communication between WSC P.I. and area and regional P.I. Committees.

The WSC P.I. Committee is excited about the work ahead and is committed to fulfilling our responsibilities as trusted servants of the N.A. Fellowship. We will be working to improve internal communications within the Committee as well as with area and regional P.I. Committees. We will be actively moving towards a national P.I. campaign.

As Chair, I'd like to welcome all the new members. Also, we welcome the Board of Trustees members who will be working with our Committee during the coming year: Mike Bohan, John Farrell and Gerry Snybold.

May God guide us in everything we do.

Kim Johnson, Chairperson
WSC P.I. Committee
