

WORLD DIRECTORY

OF N.A. MEETINGS

VOLUME III

**WORLD SERVICE OFFICE, Inc.
NARCOTICS ANONYMOUS**

16155 Wyandotte Street
Van Nuys, CA 91406 (818) 780-3951

August 1985

DEAR FRIENDS:

Enclosed is the 1985 update to your existing World Directory of meetings. This update includes information on 381 new meetings.

This reflects a considerable amount of growth. Overall the rate of growth during the past six months has been 46%. It is anticipated that this rate of growth will increase during the second half of 1985.

You may want to indicate in your Directory new meetings or changed information for those portions of the directory that you most frequently use. A convenient way is to attach a notation at the appropriate place in the existing directory in a form similar to this "see 7/85/— update." In the place of the dash marks you should show the page number of the update containing information relevant to that place in your Directory. This easy reference system will allow you to keep your directory up to date and not miss new meetings.

There will be no additional updates to the 1985 World Directory. A new World Directory will be printed in early 1986.

Yours in service to the Fellowship

World Service Office
