RE: Review of recent conference call

---

Thank you all for participating in our recent conference call. Those of you who were unable to attend, we missed you. I hope to in this memo recap some of the discussions and assignments made during that call, as well as outline the time frame for the completion of the assigned tasks.

The following were the assignments made:

Mary Dawn -	Alaska Region
Steve F. -	Michigan Region & Northern New York Region
John H. -	Oklahoma Region & Alabama NW Florida Region
Patti -	Lone Star Region & Arizona Region
John Mac. -	Louisiana Purchase Region & Best Little Region
Shemus -	Colorado Region & Nebraska Region
Jill -	Upper Midwest Region & Mid-America Region
Brian -	Indiana Region & Greater Illinois Region
Rob -	Sierra Sage Region & New Mexico Region

Each of the regional H&I chairpersons have, by now, been sent the originals of the letters that are attached with this memo.

The proposed timetable for completion of this assignment is as follows:

1. You may expect to start receiving the responses to the letters by the middle of August.
2. I would like to request that each of you complete your interviews with them by the end of August.
3. To give each of us enough time to complete the calls as well as write the articles, the deadline for the articles reaching the WSO is September 15th.
4. We will probably have another conference call after September 15th, to review the effectiveness of our plan.

If you have any questions, or if I can be of any assistance to you please don't hesitate to call. If you can't reach me, call Steve Lantos at the WSO.
