

Talked \bar{e} Bill Beck in July 1989 —

main points —

- ① Jimmy was the founder (in fact) of N.A. — founder "in-fact" vs. founder in name.
- ② Jimmy told Bill that the idea came from Gill VonHercherl (see 1st meeting attendance) who had an Addicts Anonymous group in Pacoima.
- ③ Bill attended meetings in terminal Island (Red) Per in 1956 or 1957 where they had 2 podiums (over)

One podium was for Alcoholics & had A.A.'s 12 steps on it and the other podium was for addicts & had 13 steps on it.
