WSO EXECUTIVE DIRECTOR SEARCH

A committee has been formed to conduct the search for an executive director for the World Service Office. The committee is composed of representatives from the World Service Office Board of Directors, the World Service Board of Trustees, and the World Service Conference Administrative Committee, and has been given the responsibility to use all available means in its search.

The committee has procured the services of an executive search and recruitment agency to conduct and coordinate the application process. Applicants should have a background in executive management--preferably with non-profit organizations--encompassing a range of responsibilities including general office administration, budgeting and general financial management, personnel, publication and distribution practices, and the management of ancillary operations.

Applicants need not be members of Narcotics Anonymous. Member-applicants must have abstained from the use of drugs for at least ten years.

Applications are still being solicited for this position. If you are qualified and interested, or know someone (member or non-member) who is qualified and interested, please contact:
