

To fulfill Objective 5 from Motion 11 of the WSC 1996, WSC Public Information submits the following plan for its activities for CY 1997-1998:

Primary Goals:

1. Complete work on the Guide to PI and finish preparation for distribution and consideration by the WSC in the 1998 CAR.
2. Continue the work on the Guide to Phoneline Service and submit a plan for activities for the CY 1998-1999 activities in the 1998 CAR.

Secondary Goals:

1. In accordance with WSC Public Information's Vision and Mission, the committee will seek to organize a "Public Information Auxiliary". This "PI Auxiliary" will be comprised of groups of public relations-minded addicts in geographic sections as defined by language, culture, and the NA service structure. These groups will be designed to help WSC PI coordinate our educational activities for PI with all service groups and their individual members. We will have this "PI Auxiliary" ready by CY 1997-1998.

Objectives CY 1997-1998:

1. Complete review and input for the Guide to PI by WSC PI committee work groups.
2. Identify and delegate specific assignments for development and revision of the Guide to Phoneline Service.
3. Communicate through the PI News, the Conference Report and the NA Way Magazine the WSC PI Committee's call for PI minded addicts to join our "Public Information Auxiliary".

3. All activities will be coordinated through the staff assigned by WSO Management.
4. Two substantial mailings will be scheduled during the year.
