FROM NARCOTICS ANONYMOUS WORLD SERVICES

Please complete ALL questions on the form.

What is this survey about? This survey will provide Narcotics Anonymous with more information about itself, so NA members can work more effectively to help the millions of still-suffering addicts. This survey may be used to help us provide information about Narcotics Anonymous to our friends outside the fellowship. People outside NA often want to know:

- * If all Narcotics Anonymous members are heroin addicts, or if addicts who had problems with other drugs also come to NA, and
- * If most NA members are white, or men, or young people, or unemployed, or if all backgrounds are represented in Narcotics Anonymous.

Your response will be completely confidential.

Important: If you have already filled out this survey, please do not fill it out again.
