To Whom It May Concern:

We are the Stardust Ballroom Men's Group of the Greater New Brunswick Area of N.A. At the end of the N.A. World Service Inventory Group Questionnaire you did not ask for the name of our group. If this is a group, not an area questionnaire then we feel it's important you know who we are for this questionnaire to be valid.

After completing this questionnaire and following discussion, we came to a conscience that we do not understand W.S.C. language or intent.

We suggest for future publications an index or glossary explaining the specifics (intent, definition, cost, etc.) be included.

Sincerely,

Stardust Ballroom Group of N.A.
