Dear Inventory Committee

I am writing this letter to help explain our inventory process and to give you some additional information regarding the survey.

Enclosed is the original survey, filled out as prescribed. Also, enclosed is a copy of the survey with the results of our voting.

On questions (1 thru 9) and (16 thru 20) our group conscience was reached in our normal fashion, that is, by a vote of our GSR's only. On questions (10 thru 15) all members of our ASC, that is, GSR's and all members of the executive committee, were allowed to vote. The reason for this change in policy was because our January ASC meeting was held on the first, and we did not have a quorum. We felt it

neccessary to make this change in order to meet the January 28th deadline for the survey.

I hope the information and actual voting results are of use to you. If not, then please disregard them.

Yours in service

Harvey E.
