ADDITIONAL COMMENTS ON THE *RSC SURVEY*:

A. The following questions could not be clearly understood (translation inaccuracies / spelling mistakes / etc.), and therefore we have circled 3 (don't know):

- . Question 9 D. E. F. G.
- . Question 12
- . Question 20

B. Some questions/answers in this survey can be very misleading!

Example: In question 18 we have circled 1 (agree) in all paragraphs. Yet, that does not mean we do not have serious questions / doubts in some of them.
