An interim Board Meeting was held at the W.S.O. office on September 23, 1982 at 8:30 pm. Members present were Doug F., Bill B., Henry S., Kevin F. and Chuck G. with Doug acting as chairman and secretary.

1. Much discussion about the Book, Kevin introduced price quotaion from Sir Speedy for the Book. Motion made to start printing immediately through Thought Process Printing with contingency to that being that before any monies are extended contract must be signed with agreement and so stated and also in the same case of any and all subcontract agreements with bindery. 3 to 1 Passed.

2. New Business:

Motion was made to reopen issue on Henry S. in terms of an appropriate manner to deal with his suspension in accordance with the legal aspects, due process and the by-laws. Henry felt that he was suspended in a manner that wasn't applicable to our by-laws and without any hearing on his behalf. Passed, to be investigated.
